

How to install Zapper on your Smartphone

INSTALL

The Zapper App works on the following Mobile Operating Systems:

iPhone (iOS) 
Samsung, Sony, LG (Android) 
Nokia/Microsoft (Windows) 

Go to your App Store, search “Zapper” and click on install”

The image shows six vertical slides, each with an icon and a feature description. Each slide has a 'Get Started' button at the bottom.

- Fast and easy bill payment:** Icon of a smartphone with a bill and a clock. Text: "Settle your bill fast and securely by scanning the QR code on your bill."
- Vouchers and discounts:** Icon of a plate, fork, knife, and gift. Text: "Save money by finding vouchers and specials at restaurants nearby you. Even share these with your friends."
- Explore restaurants:** Icon of a magnifying glass, a restaurant building, and a location pin. Text: "Use Zapper to find and book at great restaurants in your area."
- Split payment of your bill:** Icon of a person, a pie chart, and a coin. Text: "Easily split the payment of your bill with your friends."
- Inbox:** Icon of an envelope with a '2' notification bubble. Text: "We will send you great deals and notifications directly to your Zapper Inbox."
- Safe and secure:** Icon of a padlock and a key. Text: "Your payments are safe, secure and your card information is encrypted."

When you open your Zapper App for the first time the above slides will be displayed to highlight a few key features of the App
